

Doggie Dictionary

Word	Meaning
DOGS NAME	Used to get the puppy's attention or to call the dog
SIT	The puppy sits down
DOWN	The dog lies down. Feet should be out front, and the dog should be alert and watching for the next command
STAY	The puppy stays in the current position until the handler returns and gives another command. Distractions of other dogs, people, conversations, etc., should not bother him/her.
STAND/UP	The Puppy Stands
WAIT	The Puppy stays in the current position for a SHORT duration until the handler invites the puppy to continue forward.
COME	The puppy immediately stops what he is doing and returns to the handler
OFF	The puppy gets "Off" of whatever piece of furniture or if the puppy jumps on you
LET'S GO	The puppy walks on your left side, with no tension on the lead.
GO POTTY	The puppy relieves himself while on lead in the place you designate, then praise. If puppy is service dog training, take his vest off prior to elimination
LEAVE IT	The puppy is into something he/she is not supposed to be in or is distracted by something
WATCH ME / EYES	The puppy should turn away from distractions and look at you in the eye
YIP	Give a loud high pitch "Yip" and stop all play or attention, if the puppy's teeth touch your body
EH EH	Give a loud low pitch "Eh Eh" to let the puppy know he is doing something wrong. Do no use your puppy's name

Doggie Dictionary

Word	Meaning
QUIET	Tells the puppy to stop barking or whining
BREAK	To be used when the handler wants to release the puppy from a prior command (sit, down, stay, etc.). This will teach the puppy that it's the handler's decision when to end the last command given
